Vector Airport Systems handles the billing and payments for the landing fee program on behalf of the St George Regional Airport.

Effective October 1, 2023, landing fees will be charged to all transient GA aircraft 12,500 lbs or greater operating at the St George Regional Airport in addition to the existing landing fees on commercial aircraft operations already in place. GA and non-signatory commercial landing fees will be assessed at the time of departure and billed by Vector Airport Systems at the following rates:

- General Aviation: \$1.25 per 1,000 pounds (as of July 1, 2023) of maximum certificated landing weight (MLW), rounded to the nearest thousand pounds for aircraft 12,500 lbs or greater.
- All Utah State government and SGU based aircraft will be exempt from landing fees but are still subject to Fuel Flowage Fees.
